Dr. Ashok Arbat

MD (Chest), DCH (Mumbai), FICA, FCCP (USA)

**Founder & CMD, Krims Hospitals
Sr. Pulmonologist**

As a senior pulmonologist, Dr. Ashok Arbat has spent many years studying and practicing medicine in the field of respiratory care. With his holistic approach to treatment, he has seen the firsthand impact that diseases and disorders of the respiratory system can have on a person's quality of life, and he is dedicated to helping patients find relief and manage their conditions, thus making a positive difference in their lives.

The celebration of the 27th-anniversary milestone marks a quarter of a century of providing top-quality medical care to the community.

Founded in 1997, KRIMS Hospitals have grown from a small medical facility into a full-service Multispeciality hospital, offering a wide range of medical services and treatments across various specialties under one roof. From Pulmonology to Neurosciences and beyond, the hospital's team of experienced medical professionals has helped countless patients receive the care they need to live healthy, happy lives.

In addition to providing excellent medical care, KRIMS Hospitals have also stayed at the forefront of continuous upgradation and innovations. From implementing the latest diagnostic equipment to performing some of the most complicated surgeries, the hospital has worked to stay at the leading edge of medical advancement.
