**KRIMS Hospitals,
Nagpur**

27⁺ Years of **Care. Compassion. Commitment.**

At KRIMS Hospitals, our commitment remains steadfast - to deliver compassionate, ethical, and high-quality medical care that improves lives and promotes long-term well-being.

We are grateful for the continued trust and support of our patients and the community we serve.

Thank you for allowing us to be a part of your healthcare journey.

Dr. Ashok Arbat

MD (Chest), DCH (Mumbai),
FICA, FCCP (USA)

**Founder & Chairman, KRIMS Hospitals
Senior Pulmonologist**

As a senior pulmonologist with decades of experience in the field of respiratory medicine, Dr. Ashok Arbat has gained deep insight into how respiratory diseases significantly impact a patient's quality of life. Through years of clinical practice and close patient interaction, he has developed a holistic and patient - centric approach to treatment, helping individuals effectively manage their conditions and regain healthier, more fulfilling lives.

Founded in 1997, KRIMS Hospitals has evolved from a modest medical facility into a comprehensive multi specialty hospital, offering a wide range of medical services across various specialties under one roof. From Pulmonology and Critical Care to Neurosciences and other advanced specialties. Our team of highly qualified and experienced medical professionals works collaboratively to provide reliable, comprehensive, and compassionate care.

Beyond clinical excellence, KRIMS Hospitals remains committed to continuous upgradation and medical innovation. By incorporating advanced diagnostic technologies, modern infrastructure, and complex surgical procedures, the hospital consistently strives to remain at the forefront of medical advancement — ensuring patients receive the highest standards of care in a safe and supportive environment.
